

For this project we travel back in time and become our favorite person from the Social 7 textbook. In doing so, we will use our social media savvy and create a fake Facebook account!

Go to <https://www.classtools.net/FB/home-page>

___ You need to "add a post"...enter in 1 for the name of your first post, then hit enter. Repeat this until you have ten posts.

___ Put your name in the spot where it says "Name Here"

___ Click "save"

___ You will be asked for a password. Use your first name as your password – all lowercase letters, no capitals. Click "ok"

___ You do not need to provide an email. Click "ok"

___ "Template saved"...click "OK"

___ Write down the http address you have been given for your page here:

___ You can also save it as a bookmark.

___ Click on the link and start to fill in the information needed. Click "save" numerous times so you don't lose your work. In order to get full marks, you need all the necessary information as per the rubric:

Fix ;)

Current pictures no good ;)
Need 10 posts, not 5!
